

Name Local Man Area Allstate Representative

Henry C. Schuster, of 21806 Grant Ave., Torrance, has been appointed sales representative for Allstate insurance companies, according to C. J. Weiss, assistant vice president and regional manager.

Schuster attended Chase College in Cincinnati, Ohio. He formerly was associated with Hughes Aircraft Company.

Weiss stated that Schuster, following an intensive training course, passed the companies' qualifying examination with high honors. He will also represent the Allstate Safety Crusade, a country-wide campaign carried on by the companies and their

Career as Deputy Offered Grads, Ex-Servicemen by Sheriff's Dept.

Finishing a four-year hitch in the Navy? Graduating from college, or hoping to enroll? Would Torrance residents like to join a team of 4200, enjoy the respectful recognition of a community of 6,000,000? Pick up a phone and dial a law enforcement career by calling the local Sheriff's recruiting office at Madison 6-9511, extension 8-2682.

Steps are simple, far easier than learning how to walk. All an applicant must do is fill out the civil service application to assist officials in reducing traffic accidents by working with individuals and civic organizations in promoting safety projects.

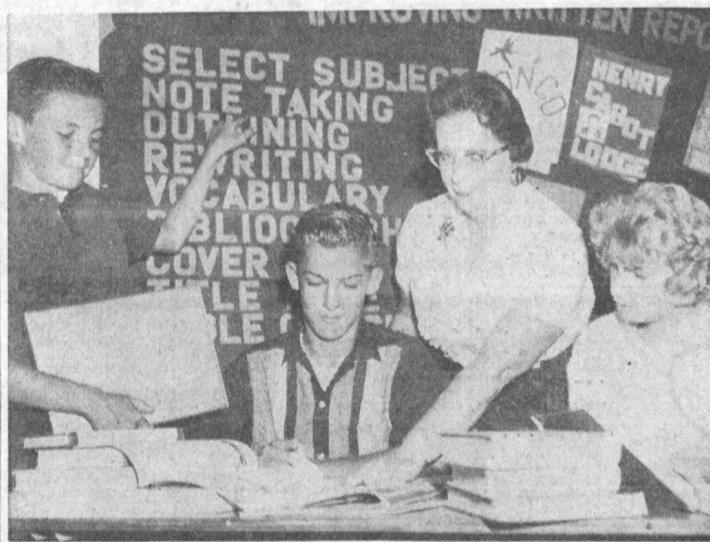

and climb onto the scales. Now, providing applicant's old enough to vote, but as yet have not reached his 35th birthday, the examiner will then determine whether he meets the minimum 5'-9" height, and 145 pounds weight requirement.

From here on in the competition will be rough, with thousands of fellow applicants vying for their Deputy Sheriff appointments and that three-year-top-stalary figure of \$575 per month.

REDUCED NUMBER
The next time he looks around, the written and medical exams will have sharply reduced the number of hopefuls, and when he enters the finest Sheriff's academy in the world as a cadet, he will know the pride of standing among the select 2.8% of the original candidates.

As time becomes record his future will be assured. His graduation from the training academy starts him off with twelve units at any accredited college, and, job-assignment-wise, guarantees you the maximum in interest and variety up to the time he settles down to the permanent security of his half-pay retirement years.

research books to write reports on current subjects. While Greg Shearer points out the steps in the study, Bruce Allen, Mrs. Anna Hause, teacher, and Gailene Grohman look over some of the research books.

Two Torrance Men Selected as Advisors for Local Bank Board

Two leading Torrance residents have accepted appointments on the advisory board for Bank of America's Torrance branch, Manager H. G. Frenz announced today.

SAUCER MAGNOLIAS

The deciduous Saucer Magnolias are one of the most colorful contributors to the garden in early spring. Their cups of bloom—usually white with varying degrees of purple—are borne in such profusion as to cover the tree or shrub entirely before the foliage arrives. Slow growing, they will fit into pocket-size situations in practically any garden.
